About IEC University

IEC University, officially I.E.C. (India Education Centre) University, is a private university located at the HIMUDA Education Hub, near the village Kallujhanda, Solan district, Himachal Pradesh, India. It was established in 2012. IEC University aims to deliver multi-disciplinary world class education through effective and efficient processes so as to make it accessible to all sections of society. Sprawling over 14.5 acres and situated on the foothills of beautiful Shivalik Mountains, the University campus is an escape from the madding crowd. Lined with lush green trees, beautifully landscaped gardens and magnificently designed buildings with state-of-the-art facilities, IEC experience is truly international.

About GMREA

The Globally Multidisciplinary Research and Education Association (GMREA) is a Haryana Government registered Association under Haryana Registration and Regulation of societies Act, 2012. It is a common platform for researchers and Professors to publish their research papers in UGC Care approved journal and SCOPUS journal. GMREA is one such single window facility where journals are reviewed and checked from different branches of knowledge. It is an emerging international stage where all the research papers published in different scholarly journal and conferences may be accessed, simultaneously at the same time. GMREA also conducts international conferences, management development programmes and other events to enhance knowledge, skills and the personal development of participants.
